

NATIONAL - Due to the State Director Sept. 1, 2012

Junior Grange Report - Short Version

A special Merit Award Certificate will be issued to each Junior Grange filing this report or a report of your own. (Most certificates will be presented at your state session by the Director, or I can send the certificate directly to you as Leader. You do not have to use this form, you can use your state form or hand written but to get a national certificate some type of report must be made.) (Some program names or titles may be slightly different than a name you have chosen for a certain program but if it seems to mean the same thing please mark it on the form. Thank-you for helping with this information.)
