Sports programs for 2012-2013

" Building a better Community by sponsoring Special Olympics"

We will again be sponsoring the Special Olympics for our community service program the next two years. Our goal is to raise money that we can send from the Sports Department to the New York State Special Olympics. We will continue to have an extra $1.00 added to our entry fees to help us raise money. I know that we asked for donations from our granges for the last two years and we raised a nice amount of money to be sent.

But as we all realize we can't expect that it will happen every year. Our goal will be to hold a 50-50 raffle at all events and one at State Grange Session. This way money raised will also help those who donated by having a chance to win the 50-50 and we get some money for the Special Olympics.

If granges want to hold special fund raisers for this they may. They may continue to send a donation too. Please send all donations to the New York State Grange Sec. with them marked Special Olympics.

We will still have our main three events of Dart Ball, Bowling and Golf for the next two years.

Remember that all of our events are for all ages of the grange and please remember that they are for Fun. Also use the sports events as a way of getting new members as that is one of the goals asked all departments by the State Master is to work on new members.

DATES FOR SPORT EVENTS FOR 2012

Dart Ball	**April 29, 2012**
Bowling	**June 3, 2012**
Golf	**July 8, 2012**

DATES FOR SPORT EVENTS FOR 2013

DART BALL	**April 28, 2013**
