Expanded continental breakfast at hotel
8:00am Check out and depart for Lancaster. Meet a step-on guide at Kitchen Kettle Village and take an Amish Farmlands tour to focus on agriculture and covered bridges. Included will be a tour of the new Amish Organic Farm. Learn how organic growing techniques are used to raise Tilapia fish and how the fish in turn are used to grow hydroponic lettuce without any soil. You'll also travel the countryside and see some of Lancaster County's covered bridges. Return the guide and enjoy time at KKV for lunch on own.

This afternoon check into the Country Inn & Suites, Lancaster. Then travel to Sight and Sound Theater for performance of *Jonah*. This massive new production features breathtaking effects including a multifaceted 40-foot-tall ship that breaks apart right before your eyes and an immersive underwater scene with a shocking reveal of the big fish that swallows God's misguided prophet. This musical intertwines powerful themes of love, mercy, obedience and second chances.
