

Five Grange Emblem Project

Granges will receive a certificate when they have completed the following:

- 1) Complete and submit a Community Service Scrap book for the year you are applying.
- 2) Fill out the form for this project completely and submit.
- 3) Have one program that involves working with at least 1 other community group.
- 4) Take in 1 new member. (Hopefully who was at one of your events.)
- 5) Plan and carry out 1 Community Service project involving one of the health areas in the 2010-2011 FAC or Lectures Programs.

*** Granges that receive a first year certificate need to be completed 1 – 5 plus the following to receive a second certificate.

Plan and carry out a fund raiser to be used to fund part or all of for your Community Service project. Please include a short 1 page or less report on this project

Name of Grange: _____

Grange # _____

County: _____

Name, address, phone # of person submitting the report:

Name and a short description of your health projects:

Why did you choose that health area?

How many Grangers were involved?

How many new members did you take in and how did they hear about your Grange?

What group or groups in the community did you work with?

Any problems, comments and solutions that you wish to add.
